≡ Resume objective

Full-Stack Developer at LeadsOnline, contributing to ClearCase, a web application that supports international ballistics analysis by matching bullet cartridges between crime scenes.

💼 Work experience

Full-Stack Developer   Mar 2025 - Present

LeadsOnline, Montreal

- Developing and maintaining **ClearCase**, a mission-critical web application used for international ballistics analysis.
- Building **scalable full-stack features** to match and analyze bullet cartridge data across crime scenes.
- Collaborating with cross-functional teams to ensure accuracy, performance, and compliance in forensic applications.

Professional Development   Sep 2024 - Mar 2025

Self-Employed, Montreal

- Completed online courses in modern web technologies (React, TypeScript, Next.js, C++, etc.).
- Built small freelance and personal projects to strengthen full-stack skills.
- Designed and developed websites and small-scale applications for clients.

Flutter Developer Intern   May 2024 - Sep 2024

DevXpress, Montreal

- Developed and maintained features for a **mobile app supporting construction workers** using Flutter.
- Implemented UI components and integrated backend APIs to improve user experience.
- Collaborated with a small startup team on app design, bug fixes, and testing.

Culinary Instructor   Oct 2019 - Sep 2022

Ateliers & Saveurs, Montreal

- Taught cooking classes to students and the public, covering **recipes and techniques from around the world**.
- Managed **kitchen staff, class schedules, ingredient orders, and menu planning**.
- Developed **curriculum and instructional materials** to enhance student learning and engagement.

🎓 Education and Qualifications

A.C.S - Management Information Systems and Services   Jan 2022 - May 2024

Institut Teccart, Montreal

- Focused on **building mobile and web applications, databases, APIs, and IT services**.
- Developed practical skills in **full-stack development, systems management, and application deployment**.

D.V.S - Professional Cooking   Sep 2012 - Jun 2014

Institut de Tourisme et d'Hôtellerie du Québec (ITHQ), Montreal

- Completed professional chef training with hands-on experience in **classic and contemporary cooking techniques**.
- Gained expertise in **menu planning, kitchen management, and food safety standards** .
- Developed skills in **teamwork, time management, and high-pressure kitchen environments** .
